Lambton Metals and TV Cogeco Present;

Harmony and Bayfest Music Month

Music is what we love, so for the next month we will be celebrating the gift of music, and promoting music. Every student, volunteer, parent, supporter are all encouraged to participate in ALL the events for the next month. We are hoping to raise \$20,000 dollars to keep music education a big part of Harmony.

Each and every person involved can help us reach our goals. We are asking every member to come out to the amazing concerts, get pledges for our telethon, and participate in bringing music to our community. It all starts April 25th with an amazing Jazz Concert with the Clayton/Scott group and Harmony performing at the Industry Theatre.

The following weekend, Lars Sloan from American Bagpipes, Kathy McMahon and the Highland dancers with Harmony will be performing an awesome night of Celtic Music. Tickets for both concerts will be \$10.00 for students and seniors, and \$12.00 for adults. Please mark your calendars, buy your tickets and spread the word. Let's sell out these amazing shows.

On May 3rd we will be hosting a 6 hour telethon at TV Cogeco. We need pledges. We strongly encourage everyone to get friends and family to make a pledge, and get others to pledge. Any pledge \$10.00 and over will get a tax receipt.

Grooving Grammy's and Grampy's

Harmony just received a grant from Service Canada to host a very special program for a year. We will be teaching seniors "Rock n Roll". Then, once they know the music we will be pairing them with youth that are struggling with reading. The kids will learn to read the rock lyrics and then together perform a rock. Music from Jimi Hendrix, The Clash, The Ramones, Pointer Sisters, Rod Stewart are only a few selections that everyone will be learning.

A performance with the "grandparents and kids" will be next February, 2010.

We will begin rehearsals April 2nd at 10:00 a.m. Rehearsals will be every Thursday till June. If you know a senior that loves music and kids and would like to be a part of this special class, please inform them of our new program!!
