To Whom It May Concern,

Harmony is a registered youth charity, based in Lambton county. We currently provide programs throughout Lambton County and help over 2500 youth each year. Our organization does not charge any financial fees, or have pre-requisites, or waiting lists. The youth are provided 26 different art and social programs without any limitations but instead, they become accountable for their programs by “paying forward” the gifts that have been given to them. Music, time, friendship and the like are paid back to the community. Harmony provides numerous hours of community service such as concerts as well as helping seniors rake leaves, shovel snow, or become a visitor to shut-ins.

Harmony has no regular funding and survives through the generous donations of groups, individuals, corporations etc., as well as fundraising events. At this time I would like to invite you to support Harmony by becoming a Gold, Silver, or Bronze Member Sponsor. Please see attached document for further details.

We are in the process of updating our website where a sponsoring business will be promoted on the Home Page, with a link to their site.

I would like to thank you for your time and consideration regarding our request and look forward to hearing from you soon.

Yours truly,

Joanne Klauke-LaBelle O.M.C.
